## About Dar Cairo

Based in Tangier, Morocco, Dar Cairo is an Egyptian architecture company that specializes in renovations, home design and construction.

## Our Mission

Create beautiful homes with modern unique designs, while providing exceptional customer service and professionalism.

# Our Vision

We create beautiful interior spaces that are functional and safe, while analyzing space requirements by using innovative & creative solutions to generate an exceptional design.

We understand the importance of creating unique and inspiring spaces for our clients – whether the project is residential, commercial, medical, educational or religious.

As designers, we understand the vision our customers have for their projects and transform it into a functional design that makes their concept a reality.

Dar Cairo leads an innovative, ambitious team and keeps the creative elements flowing by encouraging the team to seek inspiration down to the smallest details.

# Our Services

- Architecture Designs & Space Planning ( 2D & 3D Designs )
- Exterior and Interior Renovations
- Engineering Consultancy
- Landscaping

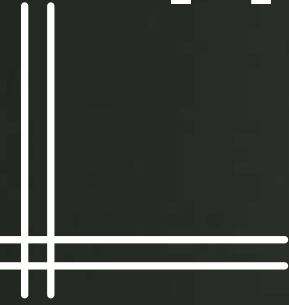

OVER  
**120** PROJECTS

# INTERIOR Designs

# Car Showroom

A car showroom is a cutting-edge space specially designed to enhance all the different lighting effects in the most impressive way.

We enhance the show room while also taking functionality and office privacy into consideration.

# Bathroom

Lighting, functionality and storage solutions.

A blurred photograph of a dining room. In the center, there is a dining table with a white tablecloth, surrounded by dark wooden chairs. A green plant is visible on the table. The background shows a light-colored wall with a decorative light fixture and a wooden cabinet or shelving unit. The overall scene is softly out of focus, creating a warm and inviting atmosphere.

# Dinning Room

From formal dining to everyday use, we can create a space that provides the perfect setting for entertaining and family moments.

# Living Room

A space to entertain or snuggle up with your loved ones for a movie, it's all about your taste and vision you have for this space. This space should be inviting and encourage guests and family to gather.

# PROJECTS

The background image is a blurred photograph of a modern residential building. It features a prominent vertical red pillar in the center, a gabled roof with a brownish-red finish, and large windows. The overall scene is out of focus, with a soft, bokeh-like quality. The sky is a pale blue with light, wispy clouds. The text 'Project 1' is centered over the image in a clean, white, sans-serif font.

# Project 1

# Project 2

# Project 3

A blurred photograph of an interior room. In the foreground, a wooden table is partially visible. In the background, there is a window with a view of greenery outside, and a doorway leading to another room. The text "Project 4" is overlaid in the center of the image.
